OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 13 May 1970

1. (Confidential - LLM) Mr. Carlisle Morrison, Assistant to Senator Allen J. Ellender (D., La.), called to ask our assistance in locating a letter written to the Senator by an official in the Executive Branch thanking the Senator for a picture taken by him of a hydrofoil on the Volga in 1957. Later I called Morrison and told him we have no record of the letter; that there is record of a letter of gratitude from Mr. Dulles dated 18 January 1957 concerning the debriefing of the Senator on a previous trip, and that we are attempting to identify the picture in our records in the hope that it may shed some light on who outside of the Agency may have written the letter. I told Morrison we would be in touch with him if we developed any helpful information. Mr. Morrison was grateful for our efforts.

2. (Unclassified - LLM) Received a call from a caller in Salt Lake City, Utah, identifying himself [redacted] who is interested in producing a TV series on the Agency patterned after "The FBI" and not "Mission Impossible." The matter was referred to Mr. Goodwin.
